### **MENTORING DEPARTMENT**

The benefits of active practice (after teaching sessions) through our regular tutorial periods was emphasized this term and assisted students to further maximize learning on a day to day basis. We look forward to results that justify the wisdom behind this principle of consistent paced hard work as the best route to excellent success and expect our students to take full advantage as they become more and more accustomed to success.

### **CO-CURRICULAR ACTIVITIES**

#### **International Day**

It was indeed an evening to remember as students (with evident support from home) put up extremely colorful, innovative and synchronized displays of the history, culture and distinct style (not to mention the food!) of **Thailand** (grade 7), **Jamaica** (grade 8), **Brazil** (grade 9), **UAE** (grade 10), **Scotland** (grade 11) and **Greece** (grade 12). Dazzling costumes were on display as graceful eastern gowns and headgear contrasted the casual yellow-red-green rasta attire (complete with dreadlocks) and as the amazing variety of Scottish tartan wear turned heads, the oriental red-gold and blue gold looked simply regal and beautiful. Jamaica edged out the competition taking first place while Brazil and UAE were second and third respectively in a programme coordinated and compeered by 'A' level students.

We echo the appreciation of the distinguished panel of judges to salute the unflinching belief, effort and sacrifice of our children and hope the lessons learnt will be put to good use next year!

### **SPORTS - INTER SCHOOL BASKETBALL MATCH**

LIFEFORTE HIGH SCHOOL vs. LEAD CITY UNIVERSITY HIGH SCHOOL (BOYS & GIRLS)

This highly anticipated match proved to be both thrilling and exciting. As the girls took to the court, the Lead City team immediately took the offensive but met with a resolute Lifeforte defense. Lifeforte ladies gradually took the initiative scoring successive baskets using their eagle and press strategy and eventually won the game with 26 to 16 points margin.

Next it was the boys' turn as a really tough and keenly contested match ensued between both teams. Lead City University boys blazed to an early lead and maintained this edge despite the determined late rally by the Lifeforte team. The game ended a close 28 to 33 points in favor of Lead City.

Well done Lifeforte!!! Well done Lead city!!!
