THE IDEA BEHIND THE EARLY DECISION PROGRAMME

In an increasingly competitive world where demands are tougher by the day and the stakes higher only those who possess the foresight to prepare and equip themselves to deal adequately with and fulfil the demands of a constantly changing world will remain on the cutting edge of global relevance.

We are most delighted to share with you another Early Decision success story. Our hearts overflow with gratitude to God for His mercies towards us in blessing the labour of both students and staff to yield the rich increase of brilliant academic attainment and results just received in the recently concluded 2012 Cambridge October/November Advanced Subsidiary level examinations.
