On behalf of our Chairman, CEO and Board of Directors, we warmly welcome our beloved parents and guardians (returning and new) to a new school year. Thank you so much for choosing Lifeforte! As a school we thank God Almighty for His steadfast love, mercies and favour that have ushered us into a wonderful beginning in this new 2017/2018 session.

MID-TERM BREAK/RESUMPTION

The Genesis midterm holiday starts on Saturday the 14th and ends on Saturday the 21st 2017. Students are expected back in school on Saturday, October 21st 2017 between 9am and 6pm. We enjoin parents to cooperate with us to ensure that the children return to school promptly thereby reinforcing in them the culture of obedience and compliance with rules.

PROGRESS REPORT

Each student has a record of work done this half term. The final scores shown in each student's report are an overall based on assessments from tests, class exercises, assignments and projects. Effort grades are also indicated. Parents are encouraged to review the work done and discuss their child/ward's progress with them. ALL NOTE BOOKS AND TEXTBOOKS taken home by a student must be brought back to school with them at the end of the break. We request the assistance of our parents in this regard to kindly ensure that this is done.

FAST TRACK A LEVEL PROGRAMME – 'EARLY DECISION'

We would like to inform our new parents about and remind our returning parents of our fast track Advanced Level programme coined 'Early Decision'. This program is an accelerated sixth form course which allows qualified students to complete the 2 year Advanced Level programme within one academic year.

The maiden and successive classes have set a highly impressive record and year after year secured multiple offers into prestigious universities in the United Kingdom, United States, Canada, and Nigeria showing beyond doubt the merits and benefits of the programme.

The ED Class of 2018 is currently writing the Cambridge AS examinations and we look forward to a harvest of A*s from the Lord in reward of their diligent efforts in Jesus name.

We also enjoin parents of students in grade 12 to strongly consider this most rewarding option for their children. For more information, please contact us on 0805 705 7811 (Mrs. Ariyo), 0805 226 1433 (Pastor Oduntan) or send us an email at lifeforte@lifeforte.com

LIFEFORTE TEACHERS' DAY

Celebrating our noble profession is our joy and September 18th 2017 was Lifeforte Teacher's Day! Gratitude, appreciation and recognition flowed freely to our beloved teachers from management and students through reflective poems, service awards, cash gifts and a grand occasion where they were feted. On this evening to remember, events began with praise and worship to our Faithful God, the Source of Life and Strength followed by our beloved Chairman, Pastor Olubi Johnson's exhortation that inspired us all to be faithful stewards so that, like Joseph, we can enter into the fullness of our destiny. It was then time for long service awards in three categories; 5 years, 10 years and 20 years and our darling Mummy CEO, Dr Sarah Johnson personally introduced the four recipients of the distinguished 20 year awards; Mrs Grace Aina (Principal, Lifeforte High), Mrs Esther Jire-Alao (Headmistress, Lifeforte Junior School), Mr Tolu Akintoye (Principal Teacher Science) and Mr Babatunde Adio (Principal Teacher Arts) and announced their befitting rewards. Teachers were overwhelmed by the show of love and expressed their deep appreciation. Sumptuous food and drinks rounded off celebrations with keepsake gift mugs and bags also handed out. Our teachers felt very honoured and remain proud ambassadors of our profession.

Well done team!

MORNING ASSEMBLY

This half term, our tradition of providing our students with stimulating out-of-class learning continued with exciting activities designed to strengthen their collaborative, communicative, critical thinking and public speaking skills.

Our series of engaging presentations and quiz sessions began with MATHSPEDIA which was an exciting battle for thinking speed between boys and girls in the senior grade — contestants had to answer 20 Maths questions in four minutes as dictated by the quiz master. The result – a draw!

Next was our presentation on current global issues as suggested by UNESCO entitled ‘TACKLING CLIMATE CHANGE’. This was presented by Wemambu Gabrielle and Bakwunye Kikachukwu two Grade 11 students while ENDING EXTREME POVERTY was presented by the team comprising Grace Urum-Eke and Toni Ogunkoya also in grade 11.

There was an almighty Edition of the ‘What do you Know’ — a compilation of randomly selected questions from Maths, English and the Sciences. This was done to test the students’ capacity to retain previous knowledge. Unlike the previous quizzes that were gender-based, contestants were selected from the four houses— Paul, Sarah, Ruth and Daniel. Ruth won the contest with Daniel house a close second.

To draw the curtain on the activities for the first half of the term, an interactive presentation entitled ‘IMPORTANCE OF EXTRA CURRICULAR ACTIVITIES’ was delivered by the department of Curriculum and Studies. The focal point was to educate students to appreciate the necessity for cultivating proficiency in

co-curricular activities and so acquire holistic development. The presentation emphasised the need for students to pay attention, not only to academic excellence but activities designed to sharpen their God-given talents and leadership skills by active participation in extra-curricular activities.

PAYMENT OF OUTSTANDING BILLS

We very much appreciate all our parents who paid their children's fees promptly. We encourage parents with outstanding fees to please pay all bills on or before 21st October, 2017.

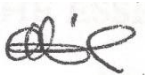

GENERAL

Parents should please keep an eye on the children/wards even during this half term break to ensure a healthy spiritual life style. They should maintain the routine of daily prayer and the reading of the Bible.

Have a wonderful mid-term break.

From the Lifeforte family

God bless you all.
