Virtual Open Day - Teachers and Parents discuss

Several interesting and exciting activities took place this term which included Bible Moral and Character Building Lessons, The Maths Super Whiz Kid Competition, Lifeforte International French Week, The Life and Music of the Great Composers Ludwig Van Beethoven and Johann Sebastian Bach, Common Wealth Day, Our Virtual Open Day with Parents and Our Social Emotional and Developmental Health Programme with pupils.

The Study on Great Composers of the Past was very instructive as both teachers and pupils listened and learnt about different kinds of classical music as some had a firsthand experience at playing them.

Bearing in mind that global citizenship is an indispensable aspect of international education The French Week was very interesting as pupils engaged in songs, poems, dialogues and narrations and Common Wealth Day was also marked with pomp and ceremony.

All our Grade Level Pupils were exposed to six weeks of intensive mathematics and quantitative testing. At the end of the competition we had emerging the Mathematics Super Whiz Kids 2020/2021 Champions in Junior Intermediate and Senior Categories.

The Winners were:

Veronica Babalola -Junior Category

Anu Oluwasanmi- Intermediate Category

We congratulate all our winners and continue to decree that our children are chosen and destined for greatness in Jesus Name, Amen.

Thank you dear Parents for your remarkable turn out at our Virtual Open Day. I dare say we had a hundred percent turnout with little or no exceptions.
