

OUR PURPOSE

At Lifeforte, we have a mission to catch young minds from the cradle and nurture them through the precarious age of adolescence, where they will know the difference between good and evil, and have the strength of character to choose good. They will be brilliant, highly educated, innovative people to whom God will reveal the secrets of His wealth that are hidden in every field of human endeavor.

APPRECIATION

Dear Parents,

On behalf of our beloved Chairman and CEO, Pastors (Drs) Olubi and Sarah Johnson and the entire Lifeforte Family, we express our deep gratitude to God for bringing us safely to the end of the Bloom Term 2022. We also sincerely appreciate you, our dear, highly esteemed parents, for your love, unflinching support and steadfast belief in us over the years!!!

ACTIVITIES.

Wholly dedicated, to the continuing holistic development and well being of our pupils, the nursery and grade level sections this term had interesting programs like **Storytelling - A Hausa Tale (Kunkuru Da Ganga)** , **Bible Moral lessons**, **The French Week**, **Be a Buddy and not a Bully**, **The Climate Challenge**, **Improving Life All around the Globe (UN's 17 Sustainable Development Goals)** **Child Protection and Safeguarding** to name but a few.

INTERHOUSE SPORTS.

This term saw us relax restrictions on sporting activities and reawaken School Interhouse Sports. After a year-long break due to the pandemic, our pupils participated in our Annual School Sports Competition. The enthusiasm, excitement, warmth and learning were palpable throughout all the preparations: The March Past, Heats and the actual athletics events themselves which were very interesting. Children had lots of fun with many receiving applause, winning medals, and celebrating trophies! To watch the full video of the competition, [click here](#).

THE FRENCH WEEK.

In raising Global citizens, our children were exposed to a globally relevant educational experience and the deepening of their intercultural connections. Our French week lived up to expectations as each class level learnt and presented an unforgettable combination of song, poem, dance or drama skit. At the end of the week, a quiz competition was held as the children continued to wrap their heads around expressing themselves and speaking in French, all week.

EASTER READING CLUB AND CREATIVE WRITING PROJECT.

In our bid to entrench a strong reading culture and make our pupils lifelong learners. Every child from grades one to five was conscripted into the school reading club and hence required to read the grades-recommended titles they are then assigned a writing task and project. We believe that reading these stories would fire up their imaginations and inspire them to become great writers while at the same time expanding their vocabulary and power of expression.

GRADE FIVE EASTER HOLIDAY SCHEDULE.

All grade five pupils will be engaged in Holiday Classes for the three weeks Easter break.

Time is 9 am-12 noon.

Thank you dear parents for your usual cooperation.

RESUMPTION

The Harvest term begins on Monday 25th April 2022. All pupils are expected to resume on this day. We strongly encourage our parents to inculcate the virtue of obedience,

punctuality and hard work in our children, knowing that our greatest fulfilment comes not just from raising knowledgeable children but also in knowing that every single phase of their time with us in Lifeforte went towards building Children of Destiny!!!

PROGRESS REPORT.

We strongly encourage parents to review their children's report cards with a view to taking advantage of our Open Door Policy to discuss directly with the school management in order to explore personalised learning strategies where necessary.

PROMPT PAYMENT OF SCHOOL FEES.

We enjoin our parents to please pay on or before the resumption of the Third(Harvest) Term. We pray that the Lord will grant you an abundant supply of resources as you invest in our children in Jesus' Name, Amen.
