

### OUR PURPOSE

*To nurture minds from the cradle, train them through the precarious years of adolescence, to a place where they will know the difference between good and evil, and have the strength of character to choose good.*

## END OF TERM NEWSLETTER, HARVEST 2022

**22ND JULY, 2022**

Dear Parents and Guardians,

On behalf of our Chairman and Chief Executive Officer, Pastors (Drs) Olubi and Sarah Johnson, we give all honour glory and adoration to God as today marks the end of a beautiful, peaceful and fruitful academic session.

We would like to wish you all a safe, refreshing and fun-filled long vacation.

It has been gratifying to experience afresh that special family bond as classwork, playtime, sports, club, activities and school programmes begin to take on a more normal onsite role this term with fewer covid restrictions. We are deeply grateful to our Almighty Triune God for bringing us through to this healthy and calm end of the session.

Our appreciation goes out to you our wonderful parents for your palpable support every step of the way. It is amazing to see, how much we have all grown amidst the challenges we faced; a worthy reminder that 'the whole is greater than the sum of its parts' (Aristotle).

We must thank our dear staff and pupils for the commitment and hard work demonstrated throughout the session. We are deeply humbled by all that God has done and give Him all the glory.

### RESUMPTION

The Harvest term holiday begins today, Friday 22nd of July 2022. The 2022/2023 session begins on **Monday 12th September 2022** for all pupils. We solicit your support to help

ensure that children resume on that date to build common values of responsibility, punctuality, integrity and excellence into their character through all we do (remembering C-R-E-A-T-E!). We are hopeful that the effects of Covid-19 on social interaction in this new session will be minimal or non-existent in Jesus' Name - Amen

## CO-CURRICULAR LEARNING

In Lifeforte International School, Global citizenship is embedded in our school curriculum as we seek to raise pupils and students who have been exposed to world-class global educational training directed towards the enrichment of the spiritual, mental, emotional, ethical, physical and social dimensions, stimulating excellence, a lifelong passion for learning, respect for diversity, inclusion, pride in national identity, sense of responsibility and preparation for global citizenship. To this end, this term, our tradition of providing our students with stimulating out-of-class learning continued with exciting activities designed to strengthen their collaborative, communicative and critical thinking skills.

Our Moral Bible Lessons, Science Super Whiz Kid, English Spelling Bee, Tweak your Grammar, Fastest and Best, Work the Maths, Tales and Fables, and Learning about National and International World Heroes were a few of the activities done this term.

We had amazing special presentations by the various grades inspiring pupils to 'catch the bug' of becoming lifelong learners and imbibing good virtues and strong core values of Character, Responsibility, Empathy, Advance, Truth and Excellence which spells the acronym C.R.E.A.T.E.

## LITERACY DAY

Our Annual Literacy Day turned out to be an exciting and fulfilling experience as parents called in and listened to their children decoding, reading out loud and pronouncing challenging words and phrases.

We encourage and appeal to all parents to invest in procuring healthy stimulating and inspiring books for their children of all ages in all grades. Reading strengthens a child's analytical thinking skills and improves focus and concentration.

## VALEDICTORY SERVICE 2022

Our tradition of celebrating each graduating class was held fully on-site this year! It was a highly anticipated event with a powerful divine presence all through. From the instrumental ensemble, songs and ministration (to graduands and their parents), a common theme shone through inspiring all present to pursue a life of excellence built upon the foundation of truth and humility

The family atmosphere was awesome and the impact was richly edifying. Parting for the Class of 2022 was not as easy as they had thought.

## SCIENCE SUPER WHIZ KID COMPETITION

In order to raise pupils' curiosity, interest and awareness of Science and Technology, all pupils in the grade levels participated in the Annual Science Super Whiz Kid Competition. Each pupil was exposed to a series of science academic achievement tests after which they were asked to create and defend or explain a science model of their choice linked to proffering solutions towards achieving any one of the 17 United Nations sustainable development goals.

Deserving pupils were all given certificates and awards for their sterling effort. The emerging Overall Winners in the Science Super Whiz Kid Competition 2021/2022 in the Junior, Intermediate and Senior categories are

### Junior Category:

1st - Victor Odukoya / Mayo Balogun  
3rd - Michelle Amotsuka / Victoria Odukoya

### Intermediate Category:

1st - David Onuigbo  
2nd - Grace-Lois Omokanwaiye  
3rd - Adeoluwa Asejeje

### Senior Category:

1st - Fisayo Odukoya  
2nd - Tomisin Falade  
3rd - Tobi Morakinyo

**Congratulations to all our Star Pupils!!! You are all destined for greatness!!!**

## SUMMER SCHOOL

Summer School this year holds from Monday, August 1st to Friday, August 26th (9:00 am - 1:00 pm.)

Our pupils are all cordially invited as it promises to be a month packed full of exciting engagements!

On behalf of the entire management and staff, I wish you all a refreshing and restful long vacation.

Please, whilst on holiday with our children, let's all be safety and security conscious.

**Careful but not Fearful!!!**

Thank you and God bless.

Esther Jire –Alao (Mrs.)  
Headmistress
